I submit a copy of the letter of the Collector of South Kanara cited above, recommending a grant of Rs.1050/- to the Mundaje co-operative society. The subsidy applied for by the society is Rs.1250/- based on the resolution of the general body to construct a godown at a cost of Rs.2500/- But according to the estimates prepared by it, the cost comes to Rs.2100/- and so it is eligible for a subsidy of Rs.1050 only. The jurisdiction of the society extends to two villages namely Mundaje and Kalamanja and it issues loans to its members on the security of their agricultural produce. The total amount of loans issued during the last three years was about Rs.63,200. The godown now proposed to be constructed will provide the necessary storage facilities to the members and will satisfy a real need. The working of the society is satisfactory and its financial condition is sound. It has a building fund of Rs.483/- and there will be no difficulty for it to raise the balance of Rs.567/- required for the construction of the godown.

I recommend that a subsidy of Rs.1050/- may be sanctioned to the society. It has acquired a site free of cost.
